

NPS 8500 Series Hi-Tech Poly Stacking Chair

A most comfortable plastic stack chair that features an 11 mm steel rod chrome plated frame and injection molded textured polypropylene plastic non-fading seat and back. The chairs can be stacked up to 40 high. EZ lift handle allows strong grip when moving and storing chairs. Removable protective floor glides guard against skidding. An optional removable tablet-arm measures 11 1/2" x 20". Black laminated. Available in either right or left handed and flips up.

Optional Right/Left Tablet Arm #TA85R/L Conveniently Flips Up
