

NPS 9100 Series Banquet Stacking Chair

These attractively designed low-back stackers are also attractively priced! The sturdy frame is made from 3/4" square 18-gauge steel tubing with non-marring plastic glides. The spacious (16"W x 15 3/4"D) pullover seat is cushioned with 1 1/2" of high-density foam. Tapered back has built-in hand-hold for easier moving and stacking. Both seat and back have a particle board core. Eight plastic stack bumpers protect the powder-coated frame finish. Weighs 13 lbs. Ships fully assembled.
