Veneer Wood Conference Cabinet

Specifications

Transitional Style Veneer Conference Cabinet with built in Accent Wood molding provides a stately and sophisticated add on to any corporate executive boardroom environment. Full-length piano hinges provide stable, easy opening with easy access. The corkboard is concealed behind the doors. Fingertip cutouts make door opening simple, and magnetic door clamps provide a secure closure. Melamine white board writing surface wipes off easily. Grooved marker holders are contoured into base. Marker kit includes six markers (Black, Red, Green, Blue, Orange and Yellow), writing pad, conference pointer and whiteboard sponge cleaner. Hooks provide easy hanging. 36" L x 40" H x 4" D. Viewing Board 38 1/2" H x 36" x 1/4" L.
