

Model #111pls Power Plus - For Mid-Size Audiences Up To 900 *Wireless Ready*

Model #111pls

Our most popular lectern has made its mark in every venue. Clean functional styling, great sound and ease of use has made this lectern everyone's favorite. Now available with built in optional wireless microphones.

Four 8" high efficiency speakers are matched to a 30 watt amplifier that kicks out more sound for its size than any in its class (Table Lectern #101pls features one 8" speaker). The control panel provides three mic input plus line in/out and a full array of multimedia functions for a total A/V experience. An extension output is included and the sound can be custom tailored via the full range tone controls.
