This beautiful lectern is a new concept, built on an industry bestseller. Contemporary style round steel base is matched to a rich wood veneer writing surface to produce a high end look with a low end price. 16"x20" Veneer lectern top is manufactured on a 3/4" MDF core and mounts to the telescoping pole which adjusts in height from 31" to 48". Built in coffee cup-holder provides added convenience. 2" radius steel base provides a functional yet stylish look that complements the most basic room up to the most stylistic boardroom furniture ensemble. Other features are four floor leveling glides and a generous round style knob with metal clamping screw to adjust lectern's height. Base is painted with a 3 mil powdercoat finish.
