

# The Quest Collection By Outdoor Lifestyle

Like the Oracle, the Quest chair is cast aluminum alloy supported by passified stainless steel legs, making it ultra strong and very scratch resistant. Its striking looks take it out of the ordinary and into the realm of modern design, but it is primarily functional, and its construction ensures the durability of the product. The Quest collection is aimed at improving the quality of lifestyle for all - making the relaxing moments more enjoyable.

All our die cast furniture is made from the highest quality aluminum that makes it durable and sturdy, yet lightweight. It can withstand all weather conditions and is rustproof so it will always look good with minimal maintenance. Each item is designed to stand as an individual piece, but together in a suite they create their own ambience. Depending on the combinations, the mood can be elegant or casual, intimate or formal. We invite you to take a leisurely browse through our die cast furniture collections. We're sure you will find what you are looking for, along with the quality, style, and comfort you long for.
