

The Manhattan Collection

Luxurious, elegant, nostalgic, and highly textured...
The only way you'll know this is 100% Polyester is because we tell you. All of the fabric choices in this collection are unique in their own way, and when placed on your table, are sure to make your own individual statement!

Fabric Width - 54"

If your tablecloth is wider than 54", there will be seams.

- ◀ Tablecloth shown has welting applied to the bottom of the cloth, which is not a standard finish for this fabric. If you are interested in having welting applied to your linens, give us a call. We'll be glad to help! Welting is available for most fabrics.

Available Colors *We want you to be thrilled with your purchase. Since printing has its limits, the only way to be sure of the color is to order a fabric sample before making your table linen purchase.*
